

## **May is National Stroke Month. Let's Stop Stroke.**

**Listen to 4 Experts discuss the causes, prevention, and treatment of stroke.**

You are invited to attend STOP STROKE, an educational 4-doctor panel on the prevention and treatment of stroke. This event is open to the public. Seating is first come first serve. Presentations by leading experts in their fields will cover the causes, prevention and treatment of stroke. There will be a question/answer session with the audience after the panelists give their presentations.

**Date: May 20, 2009 (Wednesday)**

**Time: 6 to 7:30 pm**

**Location: URIS Auditorium, 1300 York Avenue, NewYork-Presbyterian Hospital, Weill Cornell Medical Center, New York City 10065.**

**Seating is first come first serve.**
